Megu

Megu may be above a shopping mall, but it's well worth the trip. Not only is the two-level restaurant a superb example of contemporary design, it also serves mouth-watering Japanese cuisine. Downstairs is a sushi counter with booths; upstairs, and even more popular, the stylish main restaurant and bar. Signature dishes include delicious Australian Wagyu beef from the stone grill, while staff are happy to help you choose from over 40 sake.

Megu雖然位於商場內，但實在值得一去。兩層的餐廳不但是現代設計的完美例子，同時亦提供令人垂涎欲滴的日本料理。下層是壽司吧檯及雅座，而上層則更受歡迎的時尚主餐廳及酒吧。招牌菜包括美味的石烤澳洲和牛，此外服務員亦很樂意助你從40多種清酒中作出選擇。
